

Macbeth Mask

1. Choose Macbeth or Lady Macbeth. Note: These faces will not be literal! They will look weird!
2. Divide the face in two--it doesn't matter which way, horizontally, vertically or diagonally.
3. One side of the face will be before the murders and the other side, after.
4. Find two quotes per side that best reflects their character before and then after. Add the quotes to the face.
5. Draw or add eyes and a mouth and any other facial/head features--but all should
